

EasyPen F610E

6.25" x 10" Slim Pen Tablet

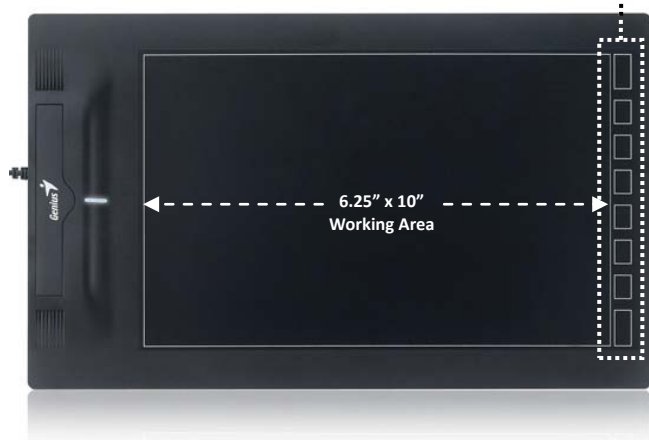

The EasyPen F610E, an extra slim graphic tablet from Genius, gives you the creative freedom to express yourself. This 6.25" x 10" graphic tablet has a wide working area for the most popular monitor sizes. With 2048 levels of pen pressure, the lightweight cordless pen gives you intuitive control just like a real pen - draw, paint, sketch and sign easily. The high 4000 LPI is great for PC or Mac users. In addition, eight macro keys provide instant access and are programmable for paint or office functions.

The EasyPen F610E bundles Corel Painter Essentials 4, a leading graphics program, where you can easily sketch, paint and turn your photos into paintings with this creative home digital art studio. A wide selection of brushes, paints, pens and paper textures let you add unique touches to photos, create cards and scrapbooks, and complete other fun projects.

Programmable macro keys

Software Bundle (Windows only)

Turn your screen into a Whiteboard/Blackboard with Microsoft PowerPoint. It's just like working with a natural pen on paper.

Free Notes offers a variety of writing tools for you to send colorful freehand drawings.

Freehand and digital signature inking in Word, Excel or WordPad.

2048 pressure sensitive levels for all shapes and thickness levels.
